## REQUEST TO TRANSFER SEQUENCE LISTING

Applicants respectfully submit that the computer readable form of the sequence listing required in the above identified application is identical to that filed in (parent) Application No. 09/068,935, filed November 23, 1998.

In accordance with 37 CFR 1.821(e), Applicants request that the computer readable form filed in the parent application be used for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes regarding the application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is submitted herewith. Applicants hereby state upon information and belief that the Sequence Listing transferred from the parent application does not include matter which goes beyond the content of the application as filed and that the sequence

information recorded on the diskette is identical to the paper copy of the Sequence Listing.

Respectfully Submitted,
